Hot Air Balloon

Duration	Region	Type
3 Hrs	Pokhara, Nepal	Activity

Overview

Discover the picturesque lake city of Pokhara from the air by riding the hot air balloon. From the beautiful views to the adrenaline rush of being in the air to the unique experience of being floated into the sky, it’s hard not to enjoy the fun hot air balloon ride. Feel the magic of soaring over a changing landscape at sunrise as you get a good opportunity to witness majestic and iconic mountains like Machhapuchre, Annapurna range, Dhaulagiri and Hiuchuli.

Experience of a lifetime awaits as you ascend higher from the ground for an unforgettable time with your mates. The best time to ride the hot air balloon depends upon the direction of the wind and its flow but you are bound to have an electrifying experience.
